RE: San Manuel waste water treatment system and plant

Docket SW-04305A-05-0086

Docket SW-04305A-05-0087

Dear Honorable Jane L. Rodda:

This letter is to express our concern for the proposed rate structure that Coronado/Pivotal Utilities has issued pending acquisition of the system and plant here in San Manuel.

I realize that any company deserves to make a profitable return on investment but I also beleive that, in comparison to rates charged in other nearby areas, that the rates proposed by Coronado/Pivotal are unreasonable and unjust.

Please consider all aspects of the case when making your judgement so that the residents of San Manuel can have the service they need at a fair and reasonable price.

Sincerely;

Robert A. Plageman
